Sundeck

This is the ideal place from which to soak up the atmosphere of the bay, perhaps whilst enjoying an exotic cocktail from the bar! What will strike you as you ascend to the top deck is the abundance of exotic palms surrounding the luxurious reclining sun chairs! We like to call it our 'floating garden' and we are sure you will be enticed to while away your time here as the boat cruises the bay. For the more adventurous, enjoy the thrill of jumping from the top deck after we anchor in a safe and scenic cove for a refreshing ocean swim!
